

5TH ANNUAL

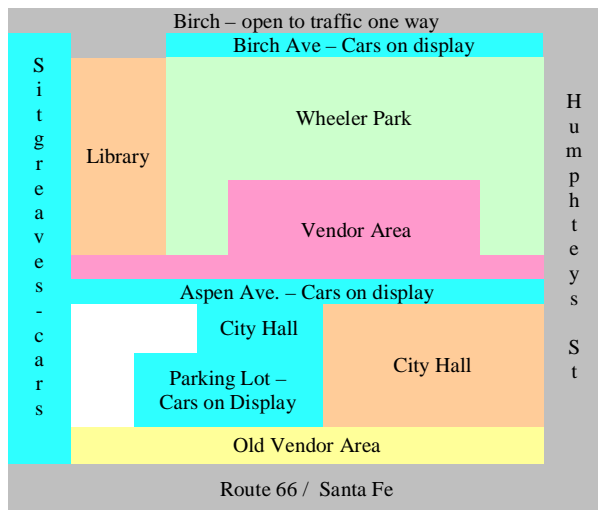

SEPTEMBER 11-13, 2009

HISTORIC DOWNTOWN
FLAGSTAFF, ARIZONA

VENDOR INFORMATION

The Flagstaff Route 66 Days Event will also be hosting the 2009 International Route 66 Festival this year. Route 66 Artists, Authors and Route 66 Preservationists from across the country will be attending our event and be placed in the downtown Heritage Square on Saturday. Their activities will culminate with the Will Rogers Banquet event on Saturday night. Route 66 Days will continue to be a two day event for vendors – September 12 and 13 (Saturday and Sunday). Our event continues to grow each year as demonstrated by the continued upward trend in vendors, car show entrants and spectators. The first car show in 2005 hosted 88 cars, 2006 hosted 200 cars, 2007 hosted 300, 2008 hosted 366 and we expect to have 400 cars this year. (The shows in 2006, 2007 and 2008 were early sell outs and we fully expect to continue that trend this year.)

The event will continue to be held in historic downtown Flagstaff streets and city parking lots. We have listened to car show entrants and vendor suggestions on how to improve our show. We will continue to place vendor booths in the Wheeler Park Parking Lot and on the North side of Aspen St. as we did last year. We have also reserved the Wheeler Park area to accommodate an increase in vendors. We will continue to park show cars in the City Hall parking lot and Sitgreaves St. (added last year) to surround the Vendors and accommodate extra show cars. We hope that these changes will continue to facilitate better access for spectators and car show entrants allowing for a more successful event for your business.

**More cars on display downtown on
Aspen, Birch and Leroux**

Map not to scale

Applications postmarked by August 1, 2009 receive early-bird pricing!
